CHAPTER _____

An act to amend Section 25503.8 of the Business and Professions Code, relating to alcoholic beverages.

LEGISLATIVE COUNSEL'S DIGEST

AB 3046, Chavez. Alcoholic beverages: advertising.

Existing law generally prohibits a manufacturer of alcoholic beverages and a winegrower from paying, crediting, or compensating a retailer for advertising or paying or giving anything of value for the privilege of placing a sign or advertisement with a retail licensee. It authorizes, as an exception, the holder of a winegrower's license, a California winegrower's agent, a beer manufacturer, a distilled spirits rectifier, a distilled spirits manufacturer, or a distilled spirits manufacturer's agent, to purchase advertising space and time from, or on behalf of, an on-sale retail licensee, under certain conditions, if the on-sale retail licensee is the owner, manager, agent of the owner, assignee of the owner's advertising rights, or major tenant of specified facilities, including specified facilities located in the Counties of Los Angeles and Orange.

This bill would expand these exceptions to include additional facilities located in Santa Clara County, as specified. This bill would allow, with respect to the specified facilities located in Santa Clara County, advertising space to be purchased from, or on the behalf of, a lessee or manager of the facilities.

This bill would make findings regarding the need for special legislation.

The people of the State of California do enact as follows:

SECTION 1. Section 25503.8 of the Business and Professions Code is amended to read:

25503.8. The person shall also be subject to license revocation pursuant to Section 24200.

(e) For the purposes of this section, "beer manufacturer" includes any holder of a beer manufacturer's license, any holder of an out-of-state beer manufacturer's certificate, or any holder of a beer and wine importer's general license.

SEC. 2. The Legislature hereby finds and declares, with respect to Section 1 of this act, that a special statute is necessary and that a statute of general applicability cannot be enacted within the meaning of Section 16 of Article IV of the California Constitution, because of unique circumstances and concerns applicable to certain facilities in Santa Clara County.
